## Attention – New Laws . . .

To inhabitants of town of Canaan:

Your attention is called to new and revised laws enacted by the 102nd Legislature.

Due to limited space only those that will affect most of you are being summarized at this time. The Title, Chapter and Section number are being given but exact wording has been substituted by a general meaning of these laws.

**Title 12, Chapter 215, Sub-Chapter 5, Section 1355.** This law states that any town allowing dumping to continue on town dumps closed by the State because they do not meet clearance regulations will lose the town's right to State reimbursement of one-half the costs of control of any escape fire from this dump during time of closure. This is up to 1% of state's valuation of town.

**Title 12, Chapter 215, Sub-Chapter 7, Section 1456-A.** This states **no equipment** for producing power shall be operated in or near woodlands **without approved spark arresters or mufflers**. This applies to chain saws, tractors, either manufactured or home-made, or other equipment.

**Title 12, Chapter 215, Sub-Chapter 11, Section 1653.** Any person who willfully or negligently causes a fire which burns forest, brush, grass or other lands or who fails to take proper action to control a fire on his own land shall be **liable to the state or town for up to \$500.00** of the suppression costs.

**Title 25, Chapter 317, Section 2436-A.** This sets up control of debris burning when the ground is **not covered with snow**. Debris may be burned out of doors only between the hours of 5:00 PM and 12:00 midnight unless you have an approved incinerator or a special burning permit from your Town Warden or Fire Chief. To meet approval incinerators must be tight containers with 1-inch holes for draft not more than a foot from bottom of container. Top must be tightly covered while burning with mesh or equivalent with holes ½-inch or smaller. Incinerator is to be set in center of circle 10 feet in diameter cleared to mineral soil. Pressurized cans shall not be burned and fire shall not be left unattended.

**Note:** This law applies only to debris burning. Permits for burning slash, brush, blueberry land or fields of dry grass must be obtained for any time of day.

Questions on these laws may be answered by your Town Forest Fire Warden, Fire Chief or at the nearest Forest Ranger Station.

SUGGESTION: HAUL, OR HAVE HAULED, DEBRIS TO TOWN DUMP. Old automobiles and animal refuse exempted.

SLASH DEFINED: Slash is defined as branches, bark, tops, chunks, cull logs, uprooted stumps and broken or uprooted trees and shrubs left on ground as a result of logging, right of way construction or maintenance and land clearance.

DEBRIS is any manufactured product, household rubbish, hay or other vegetative accumulations or materials not included under slash.

### RECOMMENDATIONS

As pointed out to the Citizens of Canaan in previous town reports by the Superintendent of Schools, more classroom space and facilities are needed in order to carry out an effective educational program. One method of accomplishing this goal, might be the possibility of joining into a School Administrative District with a group of other towns. This idea is sound and should be thoroughly investigated. Generally School Districts offer much needed assistance to the small towns and to their educational systems. Each citizen should give this possibility much thought and consideration. If we do not join into some school district in the near future, we will need to make some arrangements for additional classroom space and facilities.

### SCHOOL CONVEYANCE

Starting this past September, your children have been transported in new 54 passenger buses owned and operated by Lloyd Gower and Harry Sanders. Your School Committee has been most pleased with this type of transportation.

### 1966 BUDGET

The 1966 School budget has been prepared by the School Committee Members and the committee recommends a town appropriation of \$32,461.56. This figure is \$155.06 more than the 1965 town appropriation due to an overall increase in school expenditures.

### CONCLUSION

In closing I wish to thank the teachers, the Superintending School Committee, and citizens of Canaan for their consideration and cooperation.

Respectfully submitted,

CHARLES M. CASEY

Superintendent of Schools

## Report of Public Health Nurse . . .

Maine Department of Health and Welfare  
Division of Public Health Nursing, Bureau of Health

### ANNUAL REPORT OF PUBLIC HEALTH NURSING SERVICES IN CANAAN FOR THE YEAR 1965

A generalized public health nursing service concerned with the prevention of disease and the promotion of health is offered in your community. The public health nurse identifies health needs and helps families recognize and find ways of meeting them. This is done through her knowledge of community and state facilities and by teaching people to make pertinent use of these facilities. She works with other professional people and community health minded groups in studying, planning and putting into action community health programs such as immunization clinics and child health conferences. She gives and teaches individuals and families restorative nursing care under the medical direction of the family physician.

Three child health conferences were held to offer immunizations and health examinations to infants and preschool children. Immunizations were given against the following diseases: diphtheria, tetanus and whooping cough—30; poliomyelitis—112; and smallpox—11.

Immunizations were given against the following diseases to the school children: diphtheria and tetanus—36; poliomyelitis—143; and smallpox—8. Hearing tests were given to all school children. Home visits were made when indicated to discuss problems with parents. Tuberculin skin tests were given to 29 pupils in grades 1 and 7.

Your public health nurse wishes to thank everyone who has helped to promote better living in your community.

Respectfully submitted,

KEITHA J. PRESTON

Public Health Nurse

All of which is respectfully submitted.

Very truly yours,

## TOWN OF CANAAN

February 16, 1964 to February 15, 1965

An audit has been completed of the books and records of the Town of Canaan for the year ended February 15, 1965.

The records maintained by the Selectmen, Tax Collector, Assessors, Town Clerk and Treasurer were audited. The system of internal control was reviewed. Accounting records and other supporting evidence were reviewed or tested to the extent deemed necessary under the circumstances.

It is believed that the accompanying balance sheet together with the related financial statements fairly present the financial position of the Town at February 15, 1965, and the result of its operations for the year then ended.

---

Total ..... \$57,277.06

The Tax Collector deposited his collections frequently with the Treasurer. All abatements were approved by a majority of the Assessors and supplemental taxes were committed to the Tax Collector. The Town voted to grant a discount of 2% on all personal and property taxes assessed in 1964 and paid prior to July 5, 1964. Taxes totaling \$18,357.00 were paid on or before July 5th, and a discount of \$367.14 was granted. Interest is not charged on taxes until they are secured by tax liens. The 1963 commitment was settled in full in accordance with the vote of the Town.

During the year, unpaid taxes assessed against real estate which totaled \$763.00 were secured by tax liens. All liens had been recorded. Payments totaling \$678.15 were received during the year and tax liens of \$605.50 were outstanding at the year end. During the year, tax acquired properties represented by matured tax liens of \$28.56 were sold at a profit of \$47.24.

#### LIABILITIES

Tax anticipation notes totaling \$10,000 were issued and paid during the year. Authorization for the issuance of these notes was given at the annual meeting.

A payment of \$2,700 was made on the Truck and Snow Plow note, leaving a balance of \$8,100 which will be paid by three annual payments of \$2,700 each. The interest on this note was \$324. Confirmation of the balance was obtained from the holder of the note.

#### RESERVES AND SURPLUS

Unexpended balances in certain appropriation accounts carried forward to the ensuing year for expenditure amounted to \$634.79.

As a result of the current year's operations, the unappropriated surplus was increased by \$352.43 and totaled \$9,877.80

at the year end. The change in this account is analyzed in detail on Exhibit E of this report.

### TRUST FUNDS

The investments of the trust funds were verified by examination of the bank passbooks and physical inspection of the securities. All investments were found to comply with statutory requirements.

All income received appeared to have been properly recorded and expended in accordance with the terms of the bequests.

New trust funds totaling \$1,100 were received during the year and were deposited in savings accounts. It was noted that these funds were not specifically accepted by the Town as several years ago at a Town meeting continuing authorization to accept new trust funds was voted.

### GENERAL

Excise tax receipts totaling \$6,146.76 were verified by examination of the copies of the receipts retained by the Tax Collector. At the annual meeting, it was voted to transfer \$1,500 of excise tax receipts to Tarring Brown's Corner Road and the balance to the Roads and Bridges account.

The following corporate surety bonds were on file:

Maine Bonding & Casualty Co., #120575

Esther F. Bean, Treasurer and Excise Tax Collector \$3,000

Maine Bonding & Casualty Co., #120576

Clarence P. Hilton, Tax Collector \$3,000
